## TAKING A CLOSER LOOK AT YOUR DISTRICT'S ASSESSMENT RESULTS

By presenting statewide proficiency results, we hope to help parents and teachers work toward the educational success of every student. **Both state and federal law require results to be reported by student sub-groups, including gender, race/ethnicity, limited English proficiency, and students with disabilities.** A closer examination of the achievement of different student groups can identify differences in performance levels. This detailed report is intended to inform districts and communities to help them determine future actions needed to improve learning for all students.
